

§ 1311.4

18 CFR Ch. XIII (4–1–08 Edition)

§ 1311.4 [Reserved]

§ 1311.5 What is TVA's obligation with respect to federal interagency coordination?

TVA, to the extent practicable, consults with and seeks advice from all other substantially affected federal departments and agencies in an effort to assure full coordination between such agencies and TVA regarding programs and activities covered under these regulations.

§ 1311.6 What procedures apply to the selection of programs and activities under these regulations?

(a) A state may select any program or activity published in the FEDERAL REGISTER in accordance with § 1311.3 of this part for intergovernmental review under these regulations. Each state, before selecting programs and activities, shall consult with local elected officials.

(b) Each state that adopts a process shall notify TVA of the programs and activities selected for that process.

(c) A state may notify TVA of changes in its selections at any time. For each change, the state shall submit to TVA an assurance that the state has consulted with local elected officials regarding the change. TVA may establish deadlines by which states are required to inform TVA of changes in their program selections.

(d) TVA uses a state's process as soon as feasible, depending on individual programs and activities, after TVA is notified of the states selections.

§ 1311.7 How does TVA communicate with state, regional, and local officials concerning TVA's programs and activities?

(a) For those programs and activities covered by a state process under § 1311.6, TVA, to the extent permitted by law:

(1) Uses the official state process to determine views of state and local elected officials, and

(2) Communicates with state and local elected officials, through the official state process, as early in a program planning cycle as is reasonably feasible to explain specific plans and actions.

(b) TVA provides notice to directly affected state, areawide, regional, and local entities in a state of proposed Federal financial assistance or direct federal development if:

(1) The state has not adopted a process under the Order;

(2) The assistance or development involves a program or activity not selected for the state process; or

(3) The particular government entity is not part of or involved in the state process.

This notice may be made by a publication widely available in the potentially affected area or other appropriate means, which TVA in its discretion deems appropriate.

§ 1311.8 How does TVA provide states an opportunity to comment on proposed federal financial assistance and direct federal development?

(a) Except in unusual circumstances, TVA gives state processes or directly affected state, areawide, regional, and local officials and entities:

(1) [Reserved]

(2) At least 60 days from the date established by TVA to comment on proposed direct Federal development or federal financial assistance.

(b) This section also applies to comments in cases in which the review, coordination, and communication with TVA have been delegated or when TVA provides notice directly to potentially affected state, areawide, regional, or local entities under § 1311.7(b).

§ 1311.9 How does TVA receive and respond to comments?

(a) TVA follows the procedures in § 1311.10 if:

(1) A state office or official is designated to act as a single point of contact between a state process and all federal agencies, and

(2) That office or official transmits a state process recommendation for a program selected under § 1311.6.

(b)(1) The single point of contact is not obligated to transmit comments from state, areawide, regional, or local officials and entities where there is no state process recommendation; however, these officials or entities may submit comments directly to TVA for TVA's consideration.
